

4^oWORKSHOP

Innovation for development: Research Capacity in Bioeconomy

Tuesday, 18 march 2014

Sala Azzurra, Chamber of Commerce, Foggia

ore 9.00 - 9.15

Registration of participants

Welcome address by

MASSIMO MONTELEONE

STAR* AgroEnergy Group

ANNE-BELINDA BJERRE

**Macroalgae for co-production
of bioethanol and protein**

Biomass and Biorefinery

Energy and climate - Danish Technological
Institute, Taastrup(Denmark)

9.30-11.00

FIRST SESSION

Chairperson

ENZO MONTONERI

STAR* AgroEnergy Group,
formerly University of Turin

13.30-15.00 -LUNCH

**STAR* Facility Centre, Industrial Area
(Zona ASI), Foggia Incoronata**

15.00-15.30

**A guided visit to the STAR*LAB and to
the STAR*Technological Platform**

LUIGI PARI

CRA ING research activities on Bioeconomy

Agricultural Research Council,
Agricultural Engineering(CRA-ING)
Monterotondo(Rome, Italy)

15.30-16.30

AFTERNOON SESSION

Chairperson

ANASTASIA ZABANIOTOU

Department of Chemical Engineering
Aristotele University, Thessaloniki, Greece

GIULIO IZZO

**Innovations in the value chain of anaerobic
digestion: success and difficulties**

Biomass and Bioenergy Lab ENEA, Rome (Italy)

The European Dimension

EMMANUEL KOUKIOS

**A Manifesto for a Development Model
of the European Mezzogiorno Focusing
on Bioeconomy**

National Technical University of Athens
Bioresource Technology Unit(BTU), Greece

CARLOS VACA-GARCIA

**Some ideas for the industrial conversion
of the agro-food residues**

Laboratoire de Chimie Agro Industrielle(LCA)
MR INRA 1010, Toulouse(France)

11.00-11.30 COFFEE BREAK

11.30-13.00

SECOND SESSION

Chairperson

MATTEO FRANCAVILLA

STAR* AgroEnergy Research Group

The Regional Dimension

GIUSEPPE DE MASTRO

**Strengthen the technological offer of
the Apulian Public Research System:
the experience of NetLab-InPEReS**

Dipartimento di Scienze Agro-Ambientali
e Territoriali, University of Bari(Bari, Italy)

RAFAEL LUQUE

Innovation in biomass/waste science

& technologies: learning lessons from nature

Department of Organic Chemistry,
University of Cordoba(Spain)

16.30-18.00

PANEL DISCUSSION

Chairperson

MASSIMO MONTELEONE

STAR* AgroEnergy Group

GIULIANA D'IMPORZANO

**Gruppo Ricicla: from agriculture
to bioenergy and green chemistry**

"Gruppo Ricicla", DISAA,
University of Milan(Milano, Italy)

**With the participation of researchers,
public managers, business representatives**
